SENATE PAPERS

The following Joint Resolution: (S.P. 722)

**JOINT RESOLUTION EXPRESSING THE SENTIMENT OF
THE LEGISLATURE THAT THE INTERESTS OF STUDENTS
ARE PARAMOUNT IN ALL LEGISLATION AFFECTING
PUBLIC EDUCATION**

WHEREAS, the writers of the Constitution of Maine recognized that all students should have access to public education and that this education is essential to the preservation of the rights and liberties of the people; and

WHEREAS, equity of opportunity for all students to learn, regardless of where they live in the State, has never been more important as we face workforce challenges in heritage industries and the burgeoning technology sector, as well as in future job sectors as yet unknown; and

WHEREAS, our economic future is at risk if we fail to educate all students to their full potential, and our democratic system can thrive only if our young people are taught about the importance of civic engagement and civil interaction; and

WHEREAS, our students of today will be responsible for developing the strategies to mitigate climate change and protect our great natural resources, including the clean air, water and forested land that drive our economy and define our way of life; and

WHEREAS, our 3,478 miles of coastline have supported generations of men, women and children who are proud of their saltwater heritage and who will through education find new and sustainable ways to make their living on the sea; and

WHEREAS, our forests and farms have also supported generations of men, women and children who will through education find new and sustainable ways to continue farming and making their living from the woods; and

WHEREAS, our State's proud heritage as a home for painters, writers, musicians and crafters will be carried on by our aspiring artists who are students in public schools today; and

WHEREAS, our next generation of educators are students in our State's classrooms today; now, therefore, be it

RESOLVED: That We, the Members of the One Hundred and Twenty-ninth Legislature now assembled in the Second Regular Session, on behalf of the people we represent, take this opportunity to support putting the interests of students first in all legislation we vote on that is related to public education.

SPECIAL SENTIMENT CALENDAR

In accordance with House Rule 519 and Joint Rule 213, the following items:

Recognizing:

Brent Colbry, of Etna, who is retiring as superintendent of School Administrative District 54 after more than 45 years of service as an educator, the past 17 years in Skowhegan schools. We extend our congratulations and best wishes;

(HLS 785)

Presented by Representative AUSTIN of Skowhegan.

Cosponsored by Senator GUERIN of Penobscot, Representative COSTAIN of Plymouth, Representative REED of Carmel.

On **OBJECTION** of Representative AUSTIN of Skowhegan, was **REMOVED** from the Special Sentiment Calendar.

READ.

The **SPEAKER**: The Chair recognizes the Representative from Skowhegan, Representative Austin.

Representative **AUSTIN**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. I'd be remiss if I didn't speak about Mr. Colbry since he spent 17 years in Skowhegan. During that time, he didn't live in Skowhegan, doesn't now, and so he drives a long distance every day to come to Skowhegan and take care of the education of our students. He could've retired a few years ago but instead decided to stay there and help Skowhegan through some very difficult times, and he's been right there, a quiet man but yet getting work done. And he's always cared about their education and we always looked forward to him in each town in our district to see him coming by in late spring/early summer with a budget for that school year, which was never a pleasant thing for him, I'm sure. But he was always there to give us answers and take care, as I said, of the education. Thank you.

Subsequently, this Expression of Legislative Sentiment was **PASSED** and sent for concurrence.

In Memory of:

the Honorable Galen Cole, of Bangor. Mr. Cole was a World War II veteran of the United States Army and a recipient of the Purple Heart and the Bronze Star. He worked 50 years for Cole's Express, including decades as president, growing the company into a regional carrier serving Maine, northern New England and the Canadian Maritimes. Very involved in civic and public life, he served on the Bangor City Council and as Mayor of Bangor and 24 years on the University of Maine Development Council, including several years as its president. He founded the Galen Cole Family Land Transportation Museum in Bangor, which has been visited by more than half a million people from all 50 states, every Canadian province and dozens of foreign countries. He was a lifelong champion for Maine's veterans, serving as President of the 5th Armored Division Association, and particularly through his walking stick recognition program. The Military Order of the Purple Heart selected him for its National Americanism Award, the 101st Air Refueling Wing gave him its Distinguished Service Award and the Maine American Legion named him Citizen of the Year and later presented him with the Distinguished Service Award. He

received the Norbert X Dowd Lifetime Achievement Award from the Bangor Chamber of Commerce, the Business Leader of Maine Award from the Maine Chamber of Commerce, the Friend of Education Award from the Maine Education Association and an Honorary Doctorate of Business Administration from Husson University. He served terms on the vestry, followed by service as Junior, later Senior, warden, of Bangor's St. John's Episcopal Church. Mr. Cole will be long remembered and sadly missed by his family and friends and all those whose lives he touched;

Presented by Representative KORNFIELD of Bangor. Cosponsored by Senator GRATWICK of Penobscot, Representative SCHNECK of Bangor, Representative CARDONE of Bangor, Representative PERRY of Bangor.

On **OBJECTION** of Representative KORNFIELD of Bangor, was **REMOVED** from the Special Sentiment Calendar.

READ.

The **SPEAKER**: The Chair recognizes the Representative from South Portland, Representative Reckitt.

Representative **RECKITT**: Thank you, Madam Speaker. I know that people always think it's kind of odd that I pop up at times you don't expect me to. But I had the good fortune to have my family be connected to Galen Cole and his work. My personal interactions were predominantly knowing of his work with veterans but it's his work with the Cole Land Transportation Museum that I was most closely connected because my father-in-law worked with him there for decades. And, in fact, he worked with Galen in support of the mission of that worthy museum, which I believe is a landmark from the highways of Maine as you come down the highway. In fact, my father-in-law, whose name was Lowell Kjenstad. If you go to the transportation museum, the covered bridge on site was in fact named after my father-in-law, in honor of his work with Mr. Cole. And I would be mistaken if I did not point out today the incredible work that he did in the Bangor area and the impact it had, not just in Bangor, but from anybody who had any interaction with the museum. And, frankly, it's fascinating. If you really have never been there, you really should go. I found myself fascinated when I visited several times.

So, I'm honored today to be able to speak on behalf of the work that Galen Cole did on behalf of particularly the students of this State and the history of this State and its transportation. Thank you very much, Madam Speaker.

The **SPEAKER**: The Chair recognizes the Representative from Knox, Representative Kinney.

Representative **KINNEY**: Thank you, Madam Speaker, Men and Women of the House. I met Galen Cole a couple years ago as I was a chaperone on my daughter's school field trip to the Cole Land Transportation Museum and I was impressed by all he accomplished. It brought me to tears, some of the things that he had done in his lifetime. But on a lighthearted note, I just had to point out at over 90 years old, he had dropped a piece of paper on the floor that day while he was talking to the kids, and before the kids could help him pick it back up, he was down, picked it up and was standing back up again. And I watched my own parents trying to just maneuver around the house, and just to see him just really was very impressive. He kept up an active lifestyle to the end and he will be very sadly missed.

Subsequently, this Expression of Legislative Sentiment was **ADOPTED** and sent for concurrence.

Roger Dalton, of Phippsburg. Mr. Dalton was a veteran of the United States Army. For 25 years, he worked as a barber, and he also worked as a diet aide and head cook at a nursing home for 20 years. Presented by Representative PAULHUS of Bath.

Cosponsored by Senator VITELLI of Sagadahoc, Representative HEPLER of Woolwich.

On **OBJECTION** of Representative PAULHUS of Bath, was **REMOVED** from the Special Sentiment Calendar.

READ.

The **SPEAKER**: The Chair recognizes the Representative from Bath, Representative Paulhus.

Representative **PAULHUS**: Thank you, Madam Speaker. I just wanted to stand to say a few words.

Roger was my wife's grandfather and so was a member of our family. He will be greatly missed. As in the sentiment, it mentioned that he was a veteran and a barber for 25 years and worked at Winship Green Nursing Home alongside his wife of over 50 years and together they raised eight children. And his wife, Marsha, who is a great woman, and Roger had such a connection together and it was great to see them, especially in these later years when Roger's mobility was not as great but Marsha was always next to him and always helping him. So, I know on behalf of the family, we will miss Roger, but he will never be forgotten. He touched so many lives and helped people and so, he's a great example for all of us and for the family. And so on behalf of the family, you know, we thank you and we will be remembering him later on this week, so, thank you.

Subsequently, this Expression of Legislative Sentiment was **ADOPTED** and sent for concurrence.

In Memory of:

Leigh Michelle Thurlow, of Lowell. Ms. Thurlow worked as a video editor at WLBZ in Bangor and, for many years, as the Multi-Media Instructor at Northern Penobscot Tech Region III in Lincoln, where she brought many opportunities into the program, such as the "Pet of the Week" videos at the Humane Society, and continuously updated technologies for video production, photography, coding and graphic design for the benefit of her students. She was proud of her students and their successes. Ms. Thurlow will be long remembered and sadly missed by her family and friends and all those whose lives she touched;

(HLS 799)

Presented by Representative JAVNER of Chester.

Cosponsored by Senator ROSEN of Hancock, Representative HANINGTON of Lincoln.

On **OBJECTION** of Representative JAVNER of Chester, was **REMOVED** from the Special Sentiment Calendar.

READ.

The **SPEAKER**: The Chair recognizes the Representative from Chester, Representative Javner.

Representative **JAVNER**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. When you live in rural Maine, every birth is celebrated and every loss mourned deeply. In August, right before the beginning of a new school year, our district lost a beautiful soul. Leigh Thurlow, the

multimedia instructor at Region 3 since 2006 and resident of Lowell, left us way too soon. She was only 39 years old.

As a new legislator, the learning curve is steep and one of the questions that I received often from my constituents early on was where do I find information on this bill or that bill? And I quickly learned that there was no easy way to describe that to them. I thought to myself in this day and age of YouTube tutorials, there must be one. Well, there wasn't. So, I went to Ms. Thurlow and I asked if it would be possible for she and her class to put one together for me, and they did so. And I was so excited with their finished product.

She touched my life acutely with her calming demeanor. I understand why her students adored her, why teachers respected her, and ultimately, why she will be mourned deeply by us all. She was truly a shining example of a life well lived.

The SPEAKER: The Chair recognizes the Representative from Lincoln, Representative Hanington.

Representative HANINGTON: Thank you, Madam Speaker, Ladies and Gentlemen of the House. I, too, express the same condolences that my good friend, Representative Javner. Region 3 is so successful because of the teachers that we have and those that know Ms. Thurlow and the Thurlow family are going to be sadly missed and I'd just like to wish my condolences to the family. Thank you.

Representative **HYMANSON**: Thank you, Madam Speaker. I wish to speak on the record.

The **SPEAKER**: The Representative from York, Representative Hymanson, has requested unanimous consent to speak on the record. Hearing no objection, the Representative may proceed on the record.

Representative **HYMANSON**: Thank you. Today is Auschwitz Liberation Day. I wanted to speak about it because it's important to speak about it. World War II, it opened in 1940, was the largest Nazi concentration and death camp, it was in Southern Poland. It closed in January 1945 with Soviet liberation. That was 12 years before I was born, which to me sounds like a pretty close approximation to my history, which makes me take a breath.

1.1 million people were killed at Auschwitz, one million Jews, either by the gas chambers or through forced labor. Tattoos on the arms were only given at Auschwitz and only for those selected for forced labor. If you were put into the gas chamber, you didn't get a tattoo. I saw some of these tattoos through my life, one of them when I was a phlebotomist in the early morning when I was in medical school, and the woman I woke up stuck out her arm and the arm I was going to draw blood had a tattoo on it. It was shocking to me and something that I still think about and nearly brings me to tears.

This summer, I was in Israel and I visited Yad Vashem, which is the Holocaust Remembrance Center in Israel. Six million people died in the Holocaust. Yad Vashem is collecting the names of some of those six million who died. They have 4.2 million names now, which is remarkable, and walking into that central round library in Yad Vashem is really awe-inspiring to see books and books and books filled with 4.2 million names. So I wanted to speak this about my personal experience and the global effect as we remember Auschwitz Liberation Day. Thank you, Madam Speaker.
