The SPEAKER: The Chair recognizes the Representative from Westbrook, Representative Rielly.

Representative **RIELLY**: Madam Speaker, Ladies and Gentlemen of the House, the Honorable John Tuttle is missed dearly by his former colleagues on the Veterans and Legal Affairs Committee. He had a great sense of humor and was a passionate advocate for veterans' issues and as a former Maine National Guardsman as well.

It was a privilege serving with him and an honor to know such an incredible and dedicated public servant. He served 12 nonconsecutive terms here in the House and he served three nonconsecutive terms in the Senate and also served in the Maine National Guard for 10 years. He had an incredible record of public service and it was truly an honor to be a colleague of his on Veterans and Legal Affairs. Thank you, Madam Speaker.

The SPEAKER: The Chair recognizes the Representative from Sanford, Representative Mastraccio.

Representative **MASTRACCIO**: Thank you, Madam Speaker, Ladies and Gentlemen of the House. I think that the Honorable John Tuttle, if I didn't get up and speak for the record, he would be making sure that I heard about it. So, knowing John, I will just want everybody here to know that John loved his work in the Legislature and he loved his work as a City Councilor. There was no one who cared more about Sanford and its residents than John Tuttle. So, he is very sorely missed and he really deserves this award. I just wish he was here to see it. Thank you.

Subsequently, this Expression of Legislative Sentiment was **PASSED** in concurrence.

ENACTOR
Emergency Measure

An Act to Make Supplemental Appropriations and Allocations from the General Fund and Other Funds for the Expenditures of State Government and to Change Certain Provisions of the Law Necessary to the Proper Operations of State Government for the Fiscal Year Ending June 30, 2023

(H.P. 127) (L.D. 206)
(H. "A" H-4 to C. "A" H-3)

Was reported by the Committee on **Engrossed Bills** as truly and strictly engrossed.

Representative **LIBBY** of Auburn **REQUESTED** a roll call on **PASSAGE TO BE ENACTED**.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The **SPEAKER**: The Chair recognizes the Representative from Auburn, Representative Libby.

Representative **LIBBY**: Thank you, Madam Speaker. Madam Speaker, I could go into specifics on all the initiatives to which I object, such as \$3 million for high-density shelving, \$351,000 for the purchase of hybrid electric vehicles for Maine Turnpike enforcement and the Office of State Fire Marshal, their permanent positions added, the funds allocated to educational institutes that persist in discriminating against Maine students via COVID-19 vaccine mandates and more but, instead, will keep this short. While I appreciate the efforts made to begin to bring Maine indigent legal services into compliance with our Constitutional obligations, that initiative is not enough to overcome the many other initiatives which grow government and do not best serve Maine taxpayers. Please follow my light and vote against the pending motion.

The **SPEAKER**: The Chair recognizes the Representative from Freeport, Representative Sachs.

Representative **SACHS**: Thank you, Madam Speaker. I rise today to thank not only my fellow Committee members but also all of the Members of this Body for their hard work on this bill. The Policy Committee has provided not only diligent review, but also productive suggestions for improvement. I'm grateful for all of those who also took the time, the many members of the public, indeed, who provided input. I'd like to thank in particular the Good Representative from Waterford. I am looking forward to our continuing our collaborative work along with so many others as we proceed with the essential work on the biennial budget. Thank you, Madam Speaker.

The **SPEAKER**: The Chair recognizes the Representative from Waterford, Representative Millett.

Representative **MILLETT**: Thank you, Madam Speaker. I'd like to thank the Good Representative from Freeport for her good words and her good work as Chair of our Appropriations and Financial Affairs Committee.

We've worked well and I want to thank every one of you because you've contributed to the product before us this morning. And that is through your policy committees, you've reviewed the proposals, you've given us your best thought, we've worked it through in the Committee, and came to a unanimous agreement that the bill before us addresses mostly one-time issues with one-time money. We've done it with the best interests in mind. We've actually produced a vehicle which carries forward \$21 million into the biennial budget for use that we're now working on. So, I think that this is the time when we look at what we've accomplished together and we give it the appropriate vote to give it final enactment. I urge your support on a product that you all have contributed to and for which I am grateful and I thank you.

The **SPEAKER**: A roll call has been ordered. The pending question is Passage to be Enacted. All those in favor will vote yes, those opposed will vote no.

This being an emergency measure, a two-thirds vote of all the members elected to the House being necessary, a total was taken.
