The SPEAKER: The Chair recognizes the Representative from Passamaquoddy Tribe, Representative Soctomah.

Representative **SOCTOMAH**: Good morning, Mr. Speaker and Honorable Members of the 125th Legislature. Thank you for the privilege of allowing me to speak to the illustrious baseball career of Clayton Sockabasin. You can now add the names of Clayton Sockabasin and Patrick Sockabasin to the All-Downeast team, joining Cutler's Neil Corbett and Stephen Cates, Eastport's Omar Norton and Dennysville's Howard McFadden and Cherryfield's Carlton Willey, who contributed to the rich lore of the Maine baseball history.

Clayton did grow up at Peter Dana Point, Indian Township near Princeton. As a young Passamaquoddy boy growing up in the reservation, he played scrub every day until he couldn't see. Clayton was a dominant pitcher, possessing an above average fastball and sharp breaking curve, but also a feared hitter. Newspaper accounts commonly reported Clayton striking out 11 or 12 batters a game while going 2 to 4 himself with a homerun.

During the '60s, Peter Dana Point was a perennial contender in both the Border and Quoddy Leagues. In 1967, Clayton struck out 22 in a 3-0 shutout over the Cutler Cardinals. In 1969, he was recruited by Milltown, New Brunswick, entering into the New Brunswick Senior League. Clayton was an overpowering pitcher, hitting .330 and led Millbridge to its first ever regular season championship. He played at the Blue Ox Tournament, in which he dominated Dick DeVarney's strong Bangor team with a 12 strikeout effort and had four hits of his own, which led to a signed professional baseball contract with the Pittsburgh Pirates. He played very well, most of one season in Bradenton, Florida, for the Pirates Rookie League, and the Pirates wanted him to continue developing but Clayton wanted to go home soon after the birth of his son, Clayton. He continued playing with the Peter Dana Point Indians. In 1972, he led New Brunswick Vikings to the league championship and Maritime Provinces crown, pitching

a four hitter, clouting a two-run homer in the title league against Glacier Bay, Nova Scotia.

Over a span of three decades, Clayton likely went over 250 games and had a lifetime batting average over .300. He was the dominant pitcher in every league and tournament he competed in, in both Maine and Canada. Clayton Sockabasin's induction and also his brother Patrick's into the Maine Baseball Hall of Fame is richly deserved. I would also want to say in the language Woliwon Patrick naka Clayton. Toqite kulikisehtupa qoni epeskomayeq. Kpomawsuwinumok kcitomitahomkuniya. In translation it means that the Tribe is very proud of Patrick and Clayton for the ball playing that they did, and it's made Tribal members very proud.

Subsequently, the Sentiment was **PASSED** and sent for concurrence.

HOUSE DIVIDED REPORT - Majority (8) **Ought Not to Pass** - Minority (5) **Ought to Pass** - Committee on **TRANSPORTATION** on Bill "An Act To Revise the Law Regarding Vehicle Turning and Signals"

(H.P. 47) (L.D. 54)

TABLED - March 1, 2011 (Till Later Today) by Representative CEBRA of Naples.

PENDING - Motion of same Representative to **ACCEPT** the Majority **OUGHT NOT TO PASS** Report.

The SPEAKER: The Chair recognizes the Representative from Standish, Representative Shaw.

Representative **SHAW**: Thank you, Mr. Speaker. Mr. Speaker, Men and Women of the House. It's kind of a simply worded bill brought to me by a constituent, a decorated war veteran. Basically it just adds a couple phrases into the turn signals law. It adds the words while merging and changing lanes. Right now the turn signal law says an operator may not turn a vehicle without giving an appropriate signal if other traffic may be affected by that movement. This would make the law say an operator may not turn a vehicle without giving an appropriate signal and add the words merging and changing lanes. The State Police, during the work session, said that it would clarify the law. They do interpret the law already like this. They said it would clarify the law. Also, the Association of Driving School came in and also testified in favor of the law. I would hope that you join me in opposing the Ought Not to Pass and would like to see the Ought to Pass, the Minority Report, prevail. I would also request a roll call. Our first debate. Thank you, Mr. Speaker.

Representative SHAW of Standish **REQUESTED** a roll call on the motion to **ACCEPT** the Majority **Ought Not to Pass** Report.

More than one-fifth of the members present expressed a desire for a roll call which was ordered.

The SPEAKER: The Chair recognizes the Representative from Rockland, Representative Mazurek.

Representative **MAZUREK**: Thank you, Mr. Speaker. Mr. Speaker, Ladies and Gentlemen of the House. I am not going to speak very long on this. I just want to simply say that I listened to Representative Shaw and he hit right there. He said exactly what the feeling of the State Police were and of the driving schools. It's a common sense law and I realize that people who have been cut off without giving a proper turn signal are often frustrated. We

should probably extend this law to include parking lots where there is a great deal of damage done. But it is basically a common sense law. It clarifies the law. It puts the law in its proper perspective. Thank you, Mr. Speaker.

The SPEAKER: A roll call has been ordered. The pending question before the House is Acceptance of the Majority Ought Not to Pass Report. All those in favor will vote yes, those opposed will vote no.
