SUMMARY

The amendment defines "placement agency" and "home care services." It requires a placement agency to register with the Department of Health and Human Services. It gives the Department of Health and Human Services the same right of entry and applies the same administrative inspection and license suspension and revocation provisions with respect to placement agencies as apply to personal care agencies. It clarifies that the department's right of entry may extend to any premises and documents of a person, firm, partnership, association, corporation or other entity that the department has reason to believe is operating without a license or a certificate. It clarifies that an owner or person in charge of an unlicensed long-term care facility or child care facility or an uncertified family child care provider may not interfere with or prohibit the interviewing by the department of residents or consumers of services. It clarifies that an owner or operator of an unregistered personal care agency or placement agency may not interfere with, impede or obstruct an investigation by the department, including but not limited to interviewing persons receiving services or persons with knowledge of the agency. It changes the word "subtitle" to "section" and corrects statutory language to clarify that a child care facility license is required before the Department of Education grants approval for a program to contract with one or more Child Development Services System sites.
