Amend the amendment in section 3 in §902-A by striking out all of the first indented paragraph (page 1, lines 28 to 32 in amendment) and inserting the following:

If the registrar or clerk suspects that a petition was submitted in violation of any provision of this chapter, the registrar or clerk shall immediately notify the Secretary of State and provide a copy of the petition to the Secretary of State.

SUMMARY

This amendment removes language requiring the registrar to make a copy of each petition. It retains language requiring the registrar to make a copy of a petition that the registrar suspects was submitted in violation of petition requirements.
