SUMMARY

This amendment is the minority report of the committee. It shortens the waiting period for applying to have the right to own, possess or control a firearm from 5 years from the date of final discharge from commitment to 2 years from the date of adjudication or commitment. The amendment expands the restoration of rights to also include the provisions of 18 United States Code, Section 922(d)(4). The amendment also adds new sections regarding involuntary commitment pursuant to the Maine Revised Statutes, Title 34-B, section 3863 and regarding persons found to be incapacitated pursuant to Title 18-A, section 5-101 to inform a person subject to these provisions that the person is prohibited from owning, possessing or controlling firearms.
