## **SUMMARY**

This amendment makes changes to Committee Amendment "A" as follows.

1. The amendment restricts rating in the individual and small group market on the basis of geographic area using language previously enacted to a rating factor of 1.5 instead of allowing rating on the basis of geographic area outside of the age rating band.
2. The amendment clarifies that the expansion of the rating bands in the individual and small group market to 4 to 1 and 5 to 1 is allowed to the extent permitted by the federal Patient Protection and Affordable Care Act.
3. The amendment clarifies that carriers offering managed care plans may provide incentives to members to use designated providers based on cost or quality, but may not require members to use designated providers of health care services.
4. The amendment makes technical changes and corrections.
