A. Develop a plausible risk assessment method for reviewing and analyzing precursors to the commission of a sex offense, victim populations of sex offenders, living conditions and environment of a registrant or a sex offender and other factors predisposing a person to become a registrant or a sex offender and for the ongoing purpose of identifying risk factors;

B. Continue to evaluate the plausibility, implementation and application of sex offender risk assessments; and

C. Consult with experts in the field of sex offender matters, including but not limited to state or federal agencies, courts, correctional facilities, organizations whose affairs pertain to sex offender matters and other interested parties as the commission determines necessary.

The commission may also make recommendations regarding sex offender risk assessment to agencies of the executive branch, the judicial branch and the Legislature or to any other entity the commission determines appropriate.

§ 11282. Duty of offender to register

1. Notification by court, department, bureau or law enforcement agency. At any time, the bureau may correct the term of a registration erroneously assigned to an offender or registrant. In such instances, the bureau shall notify the offender or registrant, the district attorney and the court in the jurisdiction where the conviction occurred and the law enforcement agency having jurisdiction where the offender or registrant is domiciled, resides, is employed or attends college or school, if applicable.

2. When duty to register must be exercised. Following notification by a court, the department, the bureau or a law enforcement agency under subsection 1, an offender shall register as follows.

A. If the offender is sentenced to a wholly suspended sentence with probation or administrative release, or to a punishment alternative not involving imprisonment, the duty to register is triggered at the time the person commences in actual execution of the wholly suspended sentence or at the time of sentence imposition when no punishment alternative involving imprisonment is imposed, unless the court orders a stay of execution, in which event the duty is triggered by the termination of the stay.

B. If the offender is sentenced to a straight term of imprisonment or to a split sentence, the duty to register is triggered by discharge or conditional release.

C. If the offender is committed under Title 15, section 103, the duty to register is triggered by discharge or conditional release under Title 15, section 104-A.

E. Inform the offender that if that offender has part-time or full-time employment in another state, with or without compensation, for more than 14 consecutive days or for an aggregate period exceeding 30 days in a calendar year or if that offender enrolls in any type of school in another state on a part-time or full-time basis, the offender shall give the bureau the offender's place of employment or school to be attended in writing within 3 days after beginning work or attending school and if the other state has a registration requirement, shall register with the designated law enforcement agency in the other state;

F. Obtain fingerprints and a current photograph of the offender. The court may order the offender to submit to the taking of fingerprints and a photograph at a specified law enforcement agency within 3 days if the fingerprints and photograph have not already been obtained in connection with the offense that necessitates registration; and

G. Enforce the requirement that the offender read and sign a form provided by the bureau that states that the duty of the offender to register under this section has been explained.

5. Transfer of initial registration information to bureau and FBI. The department, county jail, state mental health institute or court within 3 days of receipt of the information described in subsection 4 shall forward the information to the bureau. If the court orders the offender to submit to the taking of fingerprints and a photograph at a specified law enforcement agency, the law enforcement agency shall submit the fingerprints and photograph to the bureau within 3 days. The bureau shall immediately enter the information into the registration system, notify the law enforcement agencies having jurisdiction where the offender expects to be domiciled and reside and transmit the information to the FBI for inclusion in the national FBI sex offender database.

B. The registrant shall bring the completed verification form and a current photograph of the registrant to the law enforcement agency having jurisdiction within 5 days of receipt of the form.

C. The law enforcement agency having jurisdiction shall verify the registrant's identity, have the registrant sign the verification form, take the registrant's fingerprints, complete the law enforcement portion of the verification form and immediately forward the fingerprints, photograph and form to the bureau.

7. Frequency of verification. The frequency of in-person verification of registration information is dependent upon the registrant's tier classification as follows.

A. A Tier III registrant shall register for the duration of the registrant's life and shall verify registration information every 90 days after the registrant's initial registration date.

B. A Tier II registrant shall register for 25 years and shall verify registration information every 180 days after the registrant's initial registration date.

C. A Tier I registrant shall register for 10 years and shall verify registration information annually after the registrant's initial registration date.

8. Change of domicile, residence, place of employment or college or school being attended. An offender or registrant shall notify the bureau in writing of a change of residence, domicile, place of employment or college or school being attended within 3 days and shall notify the law enforcement agency having jurisdiction within 24 hours after changing that domicile, residence, place of employment or college or school being attended.

If the offender or registrant establishes a new domicile, residence, place of employment or college or school being attended in the State, the bureau shall notify, within 3 days, both the law enforcement agency having jurisdiction where the offender or registrant was formerly domiciled or resided or was employed or enrolled and the law enforcement agency having jurisdiction where the offender or registrant is currently domiciled, residing, employed or enrolled.

B. If the offender or registrant establishes a domicile, residence, place of employment or college or school being attended in another state, the bureau shall notify, within 3 days, the law enforcement agency having jurisdiction where the offender or registrant was formerly domiciled or resided or was employed or enrolled and the law enforcement agency having jurisdiction where the offender or registrant is currently domiciled, residing, employed or enrolled.

However, the Tier I registrant may receive day-for-day credit from the time of sentencing in the other jurisdiction to when the offender in fact initially registers in this State once the legal duty to register arises under section 11283 or 11284 and upon applying to the bureau for credit. However, the Tier II registrant may receive day-for-day credit for the time actually registered pursuant to the other jurisdiction's sex offender registration statute prior to registering in this State upon applying to the bureau for credit. However, the Tier II registrant may receive day-for-day credit from the time of sentencing in the other jurisdiction to when the offender in fact initially registers in this State once the legal

Notwithstanding section 11273, subsections 14 and 15, a person who has been convicted and sentenced at any time for 2 or more offenses each of which is a Tier I offense or Tier II offense or includes the essential elements of a Tier I offense or Tier II offense is required to register as a Tier III registrant. For purposes of this subsection, convictions that occur on the same day count as separate offenses.

8. Periods when domiciled or residing outside State or incarcerated. Notwithstanding any other provision of this section, during any period in which a registrant or offender leaves this State, establishes a domicile or residence in another state and remains physically absent from this State or is incarcerated, the bureau, pursuant to any rules the bureau may adopt, may suspend the requirement that the registrant or offender verify registration information.

9. Relief from duty to register. The following provisions apply to relief from the duty to register.

An offender shall notify the bureau at least 21 days prior to travel beyond the jurisdiction of the United States. SUMMARY

This amendment makes the following changes to the bill:

1. It changes the effective date of the application of new registration and notification changes from October 15, 2011 to January 1, 2013;
2. It removes provisions dealing with risk assessment and establishes an ongoing Sex Offender Risk Assessment Advisory Commission to conduct an ongoing study of methods to predict the risk of recidivism by sex offenders;
3. It removes the offense classification method in the bill, which listed each offense specifically under each tier level. This amendment replaces that method with one based on the classification of the crime. 4. It removes the section of the bill regarding exceptions to the duty to register;
5. It changes the time a registrant has to notify the Department of Public Safety of a change of residence, place of employment or college or school being attended from 5 days to 3 days;
6. It adds telephone numbers, Internet identifiers and driver's license, passport and immigration documents and vehicle information to the list of information the Department of Public Safety must collect from sex offender registrants for the department's registry database;
7. It requires the Department of Public Safety, State Bureau of Identification to establish an e-mail notification system to alert a member of the public who has subscribed to the e-mail notification system when a registrant moves into the subscriber's geographic area;
8. It provides that a registrant who commits a subsequent sex offense must register for life;

9. It requires a registrant traveling abroad to provide the Department of Public Safety with certain information about that registrant's travel;

10. It changes the frequency of a registrant's duty to verify that registrant's information to every 90 days for a Tier III registrant, every 180 days for a Tier II registrant and annually for a Tier I registrant;

11. It directs the Sex Offender Risk Assessment Advisory Commission to study the structure and duties of Colorado's Sex Offender Management Board and report to the joint standing committee of the Legislature having jurisdiction over criminal justice and public safety matters by January 5, 2013. It authorizes that committee to introduce a bill implementing the commission's recommendations to the First Regular Session of 126th Legislature;

12. It adds new sex offenses enacted in the First Regular Session of the 125th Legislature to the Tier I, Tier II and Tier III offenses;
