SUMMARY

This amendment alters the bill to allow the Governor to issue a proclamation through a media outlet in advance of Prisoner of War - Missing in Action Recognition Day. It removes the language that would have required the United States flag to be flown at half staff because the President determines when the flag should be flown at half staff. It also clarifies that the State of Maine flag must be flown at half staff if the Governor considers it appropriate. Flag protocol determines that it would be inappropriate for the State of Maine flag to be at half staff if the President has raised the Prisoner of War - Missing in Action flag.
