## **SUMMARY**

This amendment strikes redundant language from the bill. It adds a time frame according to which the trustees of the water district must be appointed and strikes the exception that the registrar of voters is not required to prepare or the clerk to post a new list of voters. Because of the limited time frame to secure funding to address water contamination in the New Gloucester Upper Village, the referendum for the legal voters to approve the creation of the New Gloucester Water District has been scheduled at a time that may occur before legislative approval of the bill as amended. Because of the unique and extraordinary circumstances giving rise to the bill, the bill and this amendment allow for that referendum to be held before legislative approval. If the referendum is held prior to legislative approval and the majority of legal voters approve creation of the water district, the bill as amended will take effect immediately upon the Governor's signature. If the referendum occurs after legislative approval, the bill as amended will take effect if approved by the majority of legal voters voting in the referendum.
