(11) One person with demonstrated expertise in lake ecology; and

,

(12) One public member who has demonstrated experience or interest in the area of threats to fish and wildlife posed by invasive aquatic plants and nuisance species.

Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

SUMMARY

This amendment is the majority report of the Joint Standing Committee on Agriculture, Conservation and Forestry. It expands oversight by the joint standing committee of the Legislature having jurisdiction over agriculture, conservation and forestry matters during the transition. It also amends the membership of the Land for Maine's Future Board and the Interagency Task Force on Invasive Aquatic Plants and Nuisance Species to reflect the consolidation of the Department of Agriculture, Food and Rural Resources and the Department of Conservation into one department with one commissioner.
