**Be it enacted by the People of the State of Maine as follows:**

**Sec. 1. 12 MRSA §6032, sub-§1,** as enacted by PL 2009, c. 559, §1 and affected by §4, is amended to read:

**1. Fund established.** The Marine Recreation Fishing Conservation and Management Fund, referred to in this section as "the fund," is established within the department. Any interest earned on the money in the fund must be credited to the fund. By February 1st of each year, the commissioner shall report to the joint standing committee of the Legislature having jurisdiction over marine resources matters on the amount of money collected in the fund and all expenditures made from the fund in the previous fiscal year.

This subsection does not grant a person access to a structure licensed under this subsection without the permission of the owner of that structure. The commissioner shall determine the type of information the person holding a saltwater fishing structure license must provide about recreational saltwater fishing activities from that person's dock, pier or wharf and how frequently the information must be provided.

The annual fee for a saltwater fishing structure license is \$50. Revenues collected pursuant to this subsection must be deposited in the Marine Recreation Fishing Conservation and Management Fund established under section 6032.

The commissioner shall charge a fee of \$1 for each registration, license or endorsement taken by a department employee.

**Emergency clause.** In view of the emergency cited in the preamble, this legislation takes effect when approved.

## SUMMARY

Currently, a person may not engage in saltwater recreational fishing or land or possess fish taken from salt water without first registering on the State's saltwater recreational fishing registry. By law, there are a number of exceptions to that registry requirement. This bill adds an exception for a person recreationally fishing in salt water from a dock, pier or wharf if the owner or operator of that dock, pier or wharf possesses a valid saltwater fishing structure license pursuant to the Maine Revised Statutes, Title 12, section 6312, subsection 5-A.
