SUMMARY

This amendment replaces the bill and provides that a new motor vehicle owned by a new vehicle dealer with a dealer plate is exempt from motor vehicle inspection requirements only if the vehicle is operated for purposes directly connected with the business of buying, selling, testing, adjusting, servicing, demonstrating or exchanging the vehicle or for use by customers for not more than 7 days to demonstrate the vehicle.

The amendment defines "new motor vehicle" as a motor vehicle of the current model year or model year immediately preceding the current model year that has not been previously registered or titled.

This amendment also increases the cost of inspection stickers for new vehicle dealers by \$1, from \$2.50 to \$3.50 per sticker.
