SUMMARY

This amendment strikes the sections of the bill that remove limits on the number of agency liquor stores established under state law and allow municipalities to set a limit on the number of agency liquor stores. The amendment provides that an applicant for an agency liquor store license that is a branch of a chain retailer that has held agency liquor store licenses without violation is not subject to the requirement that the applicant be licensed to sell beer and wine for one year prior to being eligible for an agency liquor store license. The amendment reduces the fee for the Class VIII license established by the bill from \$900 to \$775 and provides that the fee may be prorated. Finally, the amendment changes the amount that is credited to the Department of Health and Human Services, Office of Substance Abuse from 10% of the Class VIII license fees to \$75 from each Class VIII license fee. The amendment also adds an appropriations and allocations section.
