Amend the bill in section 1 in subsection 5 in the last line (page 2, line 5 in L.D.) by striking out the following: ", province of Canada or other jurisdiction" and inserting the following: 'or province of Canada'

SUMMARY

This amendment strikes "or other jurisdiction" from the provision in the bill that establishes the waiver of the examination requirement so that it applies to veterinarians who have, during the 6 years preceding an application, actively practiced clinical veterinary medicine for at least 6,000 hours without disciplinary action by another state, United States territory or province of Canada only.
