SUMMARY

This amendment, which is the minority report of the committee, allows the Director of the Bureau of General Services within the Department of Administrative and Financial Services to waive the requirement of competitive bidding for the purchase of goods and services if the purchase is part of a cooperative project between the State and the Maine Maritime Academy. It removes private nonprofit institutions of higher education from the list of institutions eligible for that waiver as in the bill. The amendment also restores language that was removed from current law in the bill requiring that such a cooperative project address the institution's mission of public service.
