SUMMARY

This amendment is the minority report of the Joint Standing Committee on Judiciary.

This amendment replaces the bill with a resolve.

This amendment directs the Board of Environmental Protection and the Maine Land Use Regulation Commission to adopt rules governing standing for administrative appeals to the board and commission, respectively. The standing for administrative appeals must be the same as the standing that has been established for persons to appeal decisions of the board or the commission to court. The rules are major substantive rules under the Maine Administrative Procedure Act and are subject to review by the joint standing committee of the Legislature having jurisdiction over judiciary matters.
