SP0568, LD 1669, item 1, 125th Maine State Legislature
An Act To Clarify the Process for Removing a Person from a Dormitory Operated
by a Nonprofit Organization and the Municipal Regulation of Such Facilities

This bill clarifies the definition of "dormitory" excluded from municipal licensing as a lodging house. This bill also provides that a dormitory owned or managed by a nonprofit organization exempt from income tax or property tax is not subject to the forcible entry and detainer process for eviction of tenants who cause an unnecessary disturbance, damage the property of the dormitory or violate rules that are part of an agreement with the tenant or posted in the dormitory. Under the provisions of this bill, the owner or manager is permitted to use reasonable force to remove tenants from the property who cause unnecessary disturbance or damage and refuse to leave after being asked to do so.
