Amend the amendment in Part D in section 2 in the 4th line from the end (page 27, line 42 in amendment) by inserting after the following: "approved by the Governor." the following: 'The amounts transferred are considered adjustments to appropriations.'

SUMMARY

This amendment makes 2 technical changes to Committee Amendment "A".

The first change corrects a program number to assign it to the proper Departmentwide program in the Department of Health and Human Services.

The 2nd change adds a provision in the contingent transfer from the Maine Budget Stabilization Fund. In the event that there is a transfer to the designated General Fund program, the added phrase that the transfers are considered adjustments to appropriations will avoid a discrepancy between the accounting and budgetary records of the Office of the State Controller and the Bureau of the Budget in the Department of Administrative and Financial Services.
