## SUMMARY

This bill is reported out by the Joint Standing Committee on Judiciary pursuant to Resolve 2011, chapter 104, section 9. This bill incorporates the recommendations of the Commission To Study Priorities and Timing of Judicial Proceedings in State Courts.

The Joint Standing Committee on Judiciary has not taken a position on the substance of the recommendations or the bill, and by reporting out this bill the committee is not suggesting and does not intend to suggest that it agrees or disagrees with any aspect of the commission's recommendations or this bill. The committee is reporting the bill out for the sole purpose of turning the commission's proposal into a printed bill that can be referred to the committee for an appropriate public hearing and subsequent processing in the normal course. The committee is taking this action to ensure clarity and transparency in the legislative review of the commission's proposal.

Part A of the bill replaces varied statutory language regarding the priority of cases in court dockets with uniform language in statutes dealing with issues including civil appeals to Superior Court, animal welfare, the Maine Labor Relations Board, administrative licenses and other miscellaneous civil provisions.

Part B of the bill eliminates a provision regarding speedy trials for those arrested for traffic infractions, as it is duplicative.

Part C amends the protection from harassment statutes. It adds the commission's proposed uniform language to the provision regarding dissolution or modification of protection from harassment orders. It amends the definition of "harassment" by limiting damage to property to only business property and by repealing language describing harassment as 3 or more acts that are made with the intent to deter the free exercise or enjoyment of any rights or privileges secured by the Constitution of Maine or the United States Constitution. It repeals as unnecessary a provision regarding whether reasonable efforts have been made by the court to give written or oral notice to a defendant in a hearing regarding an allegation of harassment, which is a criterion as to whether the court may enter a temporary protection from harassment order. It also amends the process of seeking a protection from harassment order by requiring that if the alleged harassment does not meet the definition of "harassment" in the Maine Revised Statutes, Title 5, section 4651, subsection 2, paragraph C, the plaintiff must seek and file a copy of a notice to stop harassing the plaintiff issued to the defendant pursuant to Title 17-A, section 506-A or a statement of good cause why a notice was not sought or obtained.
