## SUMMARY

This amendment, which is the minority report of the committee, increases the watercraft, snowmobile and ATV registration service fees that may be assessed, collected and retained by agents by \$1 less than the bill increases the fees. The service fee for the renewal of a registration is increased from \$1 to a maximum of \$2 and for the issuance of a new registration is increased from \$2 to a maximum of \$3. The amendment provides that agents are also allowed to charge an extra \$2 for registrations or renewals issued for residents of other communities or unorganized territories. The bill allows for an extra \$1 charge.
