SUMMARY

This amendment, which is the minority report of the committee, replaces the bill. The amendment, like the bill, authorizes the Gambling Control Board within the Department of Public Safety to license the Houlton Band of Maliseet Indians to operate a casino in Aroostook County. Unlike the bill, which exempts the authorization from approval via referendum, the amendment provides that the license is contingent upon approval by the voters of Aroostook County. The amendment also provides language that exempts the casino from being subject to competitive bidding. The amendment provides for a distribution of 35% of the net slot machine revenue and 10% of the table game revenue from the casino.
