SUMMARY

This amendment removes certain references to fortified wine in the bill to be consistent with changes made in the bill that place the jurisdiction over distributing fortified wines with licensed distributors. It also makes changes to the provisions in current law governing the process for suspension and revocation of liquor licenses to reflect the transfer of responsibilities for liquor licensing from the Commissioner of Public Safety to the Director of the Bureau of Alcoholic Beverages and Lottery Operations within the Department of Administrative and Financial Services pursuant to Public Law 2013, chapter 368. The amendment also makes nonsubstantive clarifying changes to the bill.
