### SUMMARY

This amendment clarifies that the distributions from the Maine Clean Election Fund established by this bill are for the 2014 election cycle and that the Commission on Governmental Ethics and Election Practices will use those distributions to make determinations on future distributions in accordance with the guidelines established in existing law that direct the commission to consider spending in the 2 previous elections and the Consumer Price Index. This amendment also reduces the number of additional qualifying contributions that will allow for distributions to candidates for Senate from \$5,000 for every 45 additional qualifying contributions to \$5,000 for every 30 additional qualifying contributions.

The amendment also adds an appropriations and allocations section.
