SUMMARY

This amendment is the majority report. It strikes the bill and amends the laws regarding limitations on campaign contributions and expenditures to clarify that any expenditures made by a key person who has been affiliated with a campaign in the last 120 days, regardless of whether the person has been paid or the actual duties the person has performed, or by a person who has received compensation from the campaign, are a contribution to the candidate. The amendment clarifies that the value of services

provided by an individual without compensation are excluded in the definition of "expenditures." It also specifies categories of persons who are affiliated with a candidate's campaign for purposes of this provision. The amendment incorporates the term "agent" into the definition of "key person affiliated with the candidate's campaign" and thereby preserves the provision in existing law that designates expenditures by a candidate's agent as contributions to the candidate. The amendment also strikes the emergency preamble and the emergency clause from the bill.
