**An Act To Enhance the Competitiveness of Maine's
Biomass Facilities by Exempting from Waste Handling
Fees Certain Construction and Demolition Debris**

Be it enacted by the People of the State of Maine as follows:

Sec. 1. 38 MRSA §2203-A, sub-§2, ¶D, as amended by PL 2011, c. 544, §3, are further amended to read:

D. A fee may not be imposed under this section on construction and demolition debris or residue from the processing of construction and demolition debris that is used for the purpose of required daily cover at any landfill or that is disposed of at a municipal or regional association landfill that is less than 6 acres in size and accepts only inert fill, construction and demolition debris, debris from land clearing and wood wastes.

SUMMARY

This bill prohibits the imposition of a fee for the disposal of construction and demolition debris or residue from the processing of construction and demolition debris used for daily cover.
