SUMMARY

This amendment requires the transfer of \$10,000,000 in fiscal year 2016-17 from the funds received pursuant to the court order in State of Maine v. McGraw-Hill Companies, Inc. and Standard & Poor's Financial Services, LLC, Kennebec County Superior Court Docket No. BCD-CV-14-49 to the Maine Budget Stabilization Fund.

It extends a sales tax exemption or refund to fuel used in commercial agricultural production, aquacultural production and wood harvesting.

It provides one-time funds for the Jobs for Maine's Graduates Program.

It provides for 2 cost-of-living rate increases for private nonmedical institutions. The first increase is a 4% cost-of-living rate increase in funding in the fiscal year beginning July 1, 2016 and the 2nd rate increase, for fiscal year 2017-18, is based on the Consumer Price Index medical care services index.

It establishes the Substance Abuse Assistance Program to provide grants to municipalities and counties to carry out projects designed to reduce substance abuse, substance abuse-related crimes and recidivism. The Commissioner of Public Safety, in consultation with a steering committee, will select at least 8 pilot projects to receive grants. At least 2 projects must be awarded to municipalities and at least 2 projects must be awarded to counties. The steering committee that will advise in the selection of the pilot projects consists of the Commissioner of Corrections or the commissioner's designee and representatives of the following: a statewide organization of police chiefs; a statewide organization of sheriffs; a statewide organization representing physicians; a statewide organization representing prosecutors; a statewide organization representing providers of legal services for the indigent; peer recovery programs; and harm reduction associations. The Maine Justice Assistance Council will administer the grants. The recipients of the grants must report the continuation or modification of the grant program and any need for additional funding to the Commissioner of Public Safety annually, and the commissioner must report in January 2018 and 2019 to the joint standing committee of the Legislature having jurisdiction over criminal justice matters and the joint standing committee of the Legislature having jurisdiction over judiciary matters. It includes a total appropriation of \$1,100,000 and uses \$77,168 of the total to pay for a position to administer the grants. That amount is part of the 5% that the Department of Public Safety may use for administering the grants.

It provides funding for 3 new peer centers in different parts of the State to coordinate and run peer support programs to help persons in recovery from drug addiction. In order to serve populations in rural parts of the State, 2 of these peer centers must be located in currently underserved areas that are outside of Maine's largest cities. These peer centers must be situated in geographic areas of the State different from each other and in areas different from any peer support recovery centers established pursuant to Public Law 2015, chapter 378, Part D. Funding for each peer center must be used to support the hiring of a coordinator who must support recovery group facilitation, peer mentoring and peer recovery resource connections. The peer centers may be coordinated and housed within existing health care settings, such as a rural health care center.
