Current biennium revenue increase - Other Special Revenue Funds

Fiscal Detail and Notes

This bill will require the Division of Licensing and Regulatory Services in the Department of Health and Human Services to license additional short-term lodging establishments that have fewer than 4 beds. There will be additional revenue from issuing the new licenses. If necessary, the license fees for lodging can be increased and still be within the current statutory cap of \$300. This fiscal note assumes that the increased revenue from licenses will offset the costs of issuing them.
