Fiscal Detail and Notes

The bill includes a General Fund appropriation of \$200,000 to the Department of Public Safety in fiscal year 2014-15 for an independent consultant to study the feasibility of establishing a statewide firefighter training facility and regional firefighter training facilities.

This legislation is not an emergency. If the bill goes forward, it would need to be amended to either add an emergency clause or to move the appropriation to fiscal year 2015-16.
