## **SUMMARY**

This amendment replaces the bill, which is a concept draft.

The amendment authorizes the Board of Trustees of the Maine Public Employees Retirement System to procure and offer long-term disability insurance to the retirement system's members and employees who choose not to become members but participate in the defined contribution plan pursuant to the Maine Revised Statutes, section 18801, subsection 1. The decision about whether to offer coverage is made by the employer. Premiums would not be paid for by the retirement system, but would be paid by employers, by employees electing the coverage or by a combination of both.

The amendment also directs the retirement system to report twice to the joint standing committee of the Legislature having jurisdiction over retirement matters on the use of the authority granted by this bill, once in 2019 and once in 2020.
