Amend the amendment in section 1 by striking out all of paragraph L and inserting the following:

'L. Temporary signs placed within the public right-of-way for a maximum of 612 weeks per calendar year. A temporary sign may not be placed within 30 feet of another temporary sign bearing the same or substantially the same message. A temporary sign may not exceed 4 feet by 8 feet in size. A sign under this paragraph must ~~be labeled with~~include or be marked with the name and address of the individual, entity or organization that placed the sign within the public right-of-way ~~and the designated time period the sign will be maintained within the public right-of-way.~~'

SUMMARY

The bill, as amended by Committee Amendment "A," requires that temporary signs placed in the public right-of-way be marked with the date that the sign was erected. This amendment removes that requirement and eliminates the requirement in current law that such temporary signs be labeled with the designated time period that the sign will be maintained.
