The amendment removes the requirement in the bill that the Commissioner of Marine Resources hold an elver fishing license lottery each year. The amendment removes the provision of the bill that allocates at least 4 pounds of elver fishing quota to each license holder. The amendment increases the fees for all elver fishing licenses. The amendment removes the provision in the bill that requires rules regarding elver fishing quotas to provide a method for redistributing quota that will not be fished; that authority exists in current law. The amendment defines "bulk pile" for the purposes of the law on the seizure of illegally harvested elvers as all elvers in the possession of a harvester or dealer who fished for, took, bought or possesses elvers in violation of any law or rule regulating elvers. The amendment removes the requirement in the bill that the commissioner issue 425 elver fishing licenses each year and instead allows the commissioner to issue up to 425 licenses.
