## **SUMMARY**

This amendment replaces the bill and changes the title. The amendment applies to a vehicle that is left at a storage facility, if the owner failed to pay storage or rental fees, and to a vehicle left at a place of business after being repaired pursuant to a written work order signed by the person requesting the repair work.

The amendment provides that the owner of the premises where a vehicle is stored or the owner's agent is required to notify the Secretary of State that the owner or owner's agent is in possession of the vehicle. That notification must be submitted to the Secretary of State within 14 days after the date on which the vehicle owner is responsible for any unpaid charges for authorized repair or for storage and any related towing expenses incurred by the owner or the owner's agent in possession of the vehicle.

The amendment also clarifies that if notification is not submitted to the Secretary of State, the person holding the vehicle may not collect more than 14 days of storage fees.
