## SUMMARY

This amendment requires the Department of Administrative and Financial Services, Bureau of Alcoholic Beverages and Lottery Operations to establish a process by which an existing agency liquor store in the same municipality to which another agency liquor store is applying to relocate may submit support of or objections to the bureau regarding the relocation. The bill proposes to eliminate from the criteria for issuance of a new agency liquor store license that the applicant be licensed to sell beer and wine for at least one year prior to application and that the applicant was not found to have violated any provision of that license. The amendment provides that an applicant is not required to have been previously licensed to sell beer and wine, but that if the applicant was licensed to conduct those sales the applicant did so without a violation of law. The amendment adds a requirement that the applicant demonstrate that the applicant will act as a responsible licensee. The amendment also changes the laws regarding mobile service bars at golf courses and disc golf courses, reflecting changes made in Public Law 2017, chapter 17.
