## SUMMARY

This amendment replaces the bill, which is a concept draft, with a resolve that requires the Department of Health and Human Services to amend its rules in Chapter 101: MaineCare Benefits Manual, Chapters II and III, Sections 28, 65 and 90 to clarify that reimbursement is allowable for services provided to parents or guardians of children who are eligible for the MaineCare program but are not present when the service is being provided, as long as the service relates to the child's plan of care and is permitted by the United States Department of Health and Human Services, Centers for Medicare and Medicaid Services. These services may be provided to parents or guardians individually or in groups. Services reimbursed under these circumstances are evidence-based parenting skills programs.
