SUMMARY

This amendment, which is the majority report of the committee, changes the provision in the resolve regarding staffing for the Commission To Study the Phase-out of Subminimum Wage. Instead of the Legislative Council providing all staffing for the commission, the Legislative Council is only authorized to provide staffing when the Legislature is not in session. The Legislative Council is authorized to contract for necessary staff support when the Legislature is in session.

This amendment provides funds for the operating costs of the commission and for contracted staff support.
