SUMMARY

This amendment is the majority report of the committee and removes the Office of New Mainers and the Office of New Mainers Advisory Committee from the bill and removes all references to both offices. It adds proposed welcome centers to the purpose for which adult education program grants may be given. The amendment also adds an appropriations and allocations section and clarifies that the newly created local community planning support program and the newly created vocation-specific English-language acquisition and workforce training program are intended to be 2-year programs. It is the intent of the majority of the Joint Standing Committee on Education and Cultural Affairs that the following funding be provided in fiscal year 2019-20: \$75,000 in ongoing funds to the adult education program for

the expansion of the Welcome Center Initiative within the City of Lewiston's adult education program; \$85,000 for grants to adult education programs to increase English-language acquisition instruction in communities experiencing an increase in immigrant populations; \$40,000 for the local community planning support program to manage newly settled immigrant populations or to attract immigrant populations; and \$160,000 for grants to service providers to provide English-language instruction and vocational training for 200 participants.
