Amend the bill by relettering or renumbering any nonconsecutive Part letter or section number to read consecutively.

## SUMMARY

This amendment adds provisions that allow a limited electrician to supervise licensed helper and apprentice electricians to the same extent as under current law and that allow applicants for a master electrician license to count hours worked as an apprentice electrician toward the 12,000-hour experience requirement, as is permitted in current law.

This amendment also makes technical changes to the bill and adds an emergency preamble and emergency clause.
