SUMMARY

This amendment replaces the bill and changes the title. The amendment allows, for a dog or cat with a life expectancy of less than one year as determined by a veterinarian, the purchaser to choose to retain the dog or cat and receive a full refund for the original purchase price of the dog or cat. The amendment also

provides that reimbursement of veterinarian fees by the seller is not required when a purchaser chooses to retain the dog or cat and receive a full refund for the original purchase price of the dog or cat.

The amendment provides that sellers may not, contractually or otherwise, exempt themselves from the remedies provided for deaths or health problems in dogs and cats caused by hereditary or congenital defects.
