An Act To Provide for the 2020 and 2021 Allocations of the State Ceiling on Private Activity Bonds

Emergency preamble. Whereas, acts and resolves of the Legislature do not become effective until 90 days after adjournment unless enacted as emergencies; and

Whereas, the Maine Revised Statutes, Title 10, section 363 and Private and Special Law 2019, chapter 2 make a partial allocation of the state ceiling on private activity bonds to some issuers for calendar year 2020 but leave a portion of the state ceiling unallocated and do not provide sufficient allocations for certain types of private activity bonds that may require an allocation prior to the effective date of this Act if not enacted on an emergency basis; and

Whereas, if these bond issues must be delayed due to the lack of available state ceiling, the rates and terms under which these bonds may be issued may be adversely affected, resulting in increased costs to beneficiaries or even unavailability of financing for certain projects; and

Whereas, in the judgment of the Legislature, these facts create an emergency within the meaning of the Constitution of Maine and require the following legislation as immediately necessary for the preservation of the public peace, health and safety; now, therefore,
