Fiscal Detail and Notes

The Department of Health and Human Services will require General Fund appropriations of \$353,757 in fiscal year 2019-20 and \$719,054 in fiscal year 2020-21 for annual cost-of-living increases in 10-144, Chapter 101: MaineCare Benefits Manual, Chapter III, Section 2, Adult Family Care Services, Section 26, Day Health Services; 10-149, Chapter 5: Office of Aging and Disability Services Policy Manual, Section 61, Adult Day Services and Section 69, Independent Support Services Program. Federal Expenditures Fund allocations will also be required for the FMAP match.

The proposed 2020-21 biennial budget includes initiatives to increase the funding for the cost-of-living increases included in PL 2017 c. 460. If that budget initiative is approved, the funding in this bill would need to be adjusted to account for the new funding provided in 2019-20 and 2020-21.
