Fiscal Detail and Notes

The bill creates an automatic voter registration system. It includes a one-time Federal Expenditures Fund allocation of \$140,000 in fiscal year 2020-21 to the Department of Secretary of State for computer programming costs to scan automatic voter registration information and transfer pending voter registration applications to the central voter registration system. The source of the federal funds is the 2018 Help America Vote Act (HAVA) Election Security Grant funds.
