Legislative Cost/Study

Provides appropriations of \$780 in 2021-22 and \$780 in 2022-23 for the ongoing costs of legislator participation on the Maine Health Data Organization Health Information Advisory Committee.

Fiscal Detail and Notes

Part B of the bill directs the Maine Health Data Organization (MHDO) to develop and maintain a multipayer provider database and service locator tool in conjunction with the Department of Health and Human Services (DHHS) using existing resources. Any additional costs are expected to be minor and could be offset at least partially, if not totally, by cost savings from reduced reporting requirements for MHDO included in the bill.
