Fiscal Detail and Notes

The Employment Services Activity program within the Department of Labor will require a one-time General Fund appropriation of \$500,000 in fiscal year 2021-22 to contract with a media consulting firm to design and implement a statewide multimedia campaign that promotes direct care worker jobs as a career choice.

Any additional costs to the Departments of Economic and Community Development and Health and Human Services from the provisions of this bill are expected to be minor and can be absorbed within existing budgeted resources.
