Fiscal Detail and Notes

Requiring health insurance carriers to provide coverage to enrollees under 18 years of age for one prosthetic device to meet an enrollee's medical needs for the purpose of recreation will increase General Fund costs to the State Employee Health Plan beginning in the plan year that starts July 1, 2024 by \$10,415 in fiscal year 2024-25. The bill will also increase Highway Fund costs by \$3,666 beginning in fiscal year 2024-25. These estimates are based on the assumption that this required coverage will increase costs to the plan by \$0.08 per member per month (PMPM).
