## Preliminary Fiscal Impact Statement

### Legislative Cost/Study

#### Legislative Cost/Study

This bill requires a majority vote of each House of the Legislature and approval by the Governor for any use of a law enforcement officer or agency in a federal firearm confiscation or buy-back program. The Legislature's baseline budget for 2022-2023 includes funds for the Legislature to meet in special session on 2 days each fiscal year following the applicable statutory deadline. Whether or not there are sufficient funds to cover the cost of holding a special session for this purpose will depend on the number of times the Legislature is required to convene in special session during the interim.
