Preliminary Fiscal Impact Statement for Original Bill

Sponsor: Sen. Daughtry of Cumberland

Committee: Environment and Natural Resources

Fiscal Note Required: No

Preliminary Fiscal Impact Statement

Minor savings - Other Special Revenue Funds

Fiscal Detail and Notes

This bill would exempt mountain bike trails from a requirement to obtain a Department of Environmental Protection (DEP) review under the Storm Water Management Laws, provided those trails are generally constructed and maintained in accordance with certain standards. The removal of the review requirement means that DEP staff will no longer have to review and approve plans for proposed mountain bike trails, resulting in minor savings.
