An Act To Allow for a Variance Rate in the Amount and Potency of Cannabinoids in Adult Use Edible Marijuana Products

Fiscal Note for Bill as Engrossed with:

No Amendments

Committee: Veterans and Legal Affairs

Fiscal Note

Minor cost increase - General Fund

Fiscal Detail and Notes

Any additional costs to the Office of Marijuana Policy within the Department of Administrative and Financial Services as a result of changes to laws regarding the amount and potency of tetrahydrocannabinol, or THC, and other cannabinoids in edible marijuana products that allow for a variance rate instead of a specific limit are anticipated to be minor and can be absorbed within existing budgeted resources.
