#### Fiscal Detail and Notes

This amendment eliminates the one-time General Fund appropriation of \$170,054 in fiscal year 2023-24 included in the bill to the Retirement Allowance Fund within the Maine Public Employees Retirement System (MainePERS) for the increase in the unfunded actuarial liability created as a result of allowing the service retirement benefits for certain employees in the Department of Corrections earned under the regular state employee and teacher plan to be calculated under the 1998 Special Plan and instead provides a General Fund appropriation in fiscal year 2024-25 for the same purpose.
