

131st MAINE LEGISLATURE

LD 867

LR 939(03)

An Act Regarding Undesignated Ready-to-use Glucagon Rescue Therapies in Schools

**Fiscal Note for Bill as Engrossed with:
C "A" (S-264)
Committee: Education and Cultural Affairs**

Fiscal Note

Potential costs to school administrative units

Fiscal Detail and Notes

This bill allows, but does not require, designated school personnel to administer an undesignated ready-to-use glucagon rescue therapy to a student with a known diagnosis of diabetes. Costs to implement the provisions of this legislation if a school administrative unit chooses to do so will be borne by the unit.
